COUNTY OF BRISTOL
Massachusetts

ANNUAL
REPORT OF COUNTY TREASURER

—AND—
County Commissioners

For Year Ending December 31st, 1949

PUBLISHED IN COMPLIANCE WITH THE GENERAL LAWS

TAUNTON PRINTING CO.

To the Citizens of Bristol County:

I have the honor to submit the accompanying report of the Receipts and Expenditures of Bristol County for the year ending December 31, 1949.

The report of the County Commissioners follows the Treasurer's report, both being printed in this form to comply with the General Laws of Massachusetts.

County Accounts are examined once a year by the State Auditors of the Department of Corporations and Taxation, Division of Accounts, State House, Boston, Mass.

Respectfully submitted,

ERNEST W. KILROY,
County Treasurer.

Treasurer's Report, County of Bristol

County Finance.

The standing of the County from a financial standpoint is excellent.

Court Cases.

Various suits were commenced during the year against the County, and, as has been customary, the Board engaged competent counsel to protect the interests of the County.

Repairs and Furnishings.

We have continued the policy of keeping our buildings in repair, while sometimes expensive, due to the character of the buildings, it is a policy which seems to meet with the general approval of our citizens.

Chapter 90.

Each year our Chapter 90 appropriation increases in amount. We have followed this year our policy of assisting, as much as possible, the communities within the County to enjoy the benefits of the Chapter 90 program.

REPORT OF THE SUPERINTENDENT

I herewith submit the 31st Annual Report of the Bristol County Hospital for the year ending December 1949.

There were 49 patients in the hospital on January 1949, and 68 patients were admitted during the year. Of the 68 patients admitted 47 were first admissions and 21 were re-admission cases. There were 37 males and 31 females. The largest daily census was 64 and the lowest 47. The average daily census was 57.3 and the total hospital days was 20,551.

There were 58 patients discharged. At the end of the year there were 59 patients in the hospital. Of these 28 were males and 31 females. The average length of stay was 249 days.

The total number of patients under treatment was 117.

Treatment

There were 117 patients under treatment during the year. All were given supervised bed rest and routine care.

Pneumothorax was administered to 16 patients with a total of 252 refills. Pneumoperitoneum was performed on nine patients. Thoracoplasty was performed on nine patients with a total of 20 operations.

Other treatments were as follows:

Extra pleural Lucite Plombage	1
Cavernostomy	1
Phrenic Nerve Crushing	1
Incision and drainage	1
Bronchoscopies	4
Chest Aspirations	6

Dihydrostreptomycin was given to 60 patients and PAS was administered to 5 patients. Ultra violet ray treatments were given as indicated. Two patients received treatment for diabetes mellitus. There were 220 sputum examinations; 1,447 urine analyses and 7 Wasserman tests. A total of 342 chest x-rays and 302 fluoroscopies were done on house cases.

In the dental department there were 11 teeth extractions and 8 fillings.

Out Patient Department

During the year a total of 2,146 visits was made in the Out-Patient Department and 1,154 persons were examined.

There were 1,989 x-rays of the chest taken. Of the total number x-rayed 174 were follow-up discharged cases.

There were 980 new cases and in this group 34 cases of active pulmonary tuberculosis were found and 24 of these were subsequently admitted to the sanatorium.

There were 3,092 chest x-ray films of persons x-rayed in a survey conducted by the Bristol County Health Association during the year. These were read and reported. Out of this group 46 showed some abnormality of the lungs and 3 cases (0.1%) were active pulmonary tuberculosis.

There were 11 patients who received pneumothorax treatment with a total of 97 refills. One patient received pneumoperitoneum.

Rehabilitation

Handwork continues to be the most popular outlet for activity. Patients find much satisfaction in making of sweaters, afghans, ties, etc. Belts, wallets, bags and book covers are popular in the leatherwork. Some beautiful finished pieces of wooden boat models and coaches were made by the men patients. A series of talks was given by Miss Barbara O'Brien and Mrs. Virginia Sargent to the women patients. "Child Care", "Color in the Home", "Extension Service to the County" were some of the topics discussed. Pamphlets and books on each subject were distributed. This service was made available through the Home Demonstration Agency of the Bristol County Agricultural School. Vocational testing and guidance was given as indicated.

Improvements and Upkeep

In addition to the general repairs and painting the following major improvements were carried out. A two room addition was constructed off the corridor connecting the male and female wards. These rooms were sorely needed. Notwithstanding this addition more single rooms for advanced cases would be advantageous. In recent months the hospital wards have been overcrowded and we have not had accommodations for all applications for admission.

During the year the large main wards of the hospital, the diet kitchen, utility rooms and small wards were given two coats of paint. The outside of the farmhouse was also given two coats of paint.

A new oil burner system was installed at the assistant physician's house and a set of living room furniture was purchased.

In the main kitchen the old pressure steam kettle was discarded and replaced by a new one. A Fryalator was also purchased and installed.

A new tractor with attachments was purchased for the farm. This addition to the farm will replace two horses which were formerly used for farm work.

In the year ahead it will be advisable to paint the barn and also repair the eave's of same.

I am recommending that the rooms in the nurses' quarters be painted and that repairs be carried out on two hospital rooms. I also recommend the construction of a three car garage.

During the early part of the year the Assistant Physician, Dr. John R. Day, resigned and we were without an assistant up to near the close of the

year when we were able to secure the services of Dr. Diego Bermudez. Dr. Bermudez has had several years experience in tuberculosis work and should prove a valuable addition to our staff.

Farm

During the year 46,844 quarts of milk valued at \$6,464.00 was produced on the farm. Of this quantity 42,057 quarts were used at the hospital and the balance sold. The hospital was supplied with 4,689 $\frac{1}{2}$ dozen eggs valued at \$2,966.00.

There were 602 pounds of poultry, valued at \$258.88 and a variety of garden produce valued at \$282.75.

Receipts for hogs sold amounted to \$678.00. The total value of produce used at the hospital and receipts for sales was \$10,711.35.

Entertainment and Acknowledgments

The patients have had opportunity to view television at certain specified hours. The Holy Ghost parish of Attleboro, Mass., on several occasions showed moving pictures. Numerous service clubs and church groups provided a variety of entertainment especially during the Christmas season. They also brought a variety of gifts, and baskets of fruit to the patients. To all who furnished gifts and gave so generously of their time to bring cheer to the patients we offer our sincere thanks and good wishes.

We extend our thanks to the clergy for attendance on patients and providing for their spiritual needs.

To all employees for their loyal services I extend my personal thanks. To you, the trustees, for your confidence in me and your advice I express my thanks and gratitude.

GARNET P. SMITH, M. D.,
Superintendent.
